

## **SHOOTING RULES AND REGULATIONS**

- 1. The Range Master is in absolute control of the shooting range and right of admission under his/her discretion.**
- 2. Everybody should check in with registration as the first order of business. Nobody will be allowed to cross the waiting line or shoot at the range unless he / she are a paid up member or paid visitor and registered for the session .**
- 3. Juniors under the age of 12 will need their parents or designated guardian on site at all times.**
- 4. Club bows and arrows can be rented twice. After this you are responsible for bringing your own equipment-no exceptions.**
- 5. Archers are to proceed to the “shooting line” from the “waiting line” only when the “Range Open!” command is given. The shooting line must be straddled.**
- 6. Archers will return from the “shooting line” to the “waiting line” once they’ve finished shooting and deposit their bows on the bow racks provided. The “range closed!” command will be given only once everybody have returned to the “waiting line”**
- 7. No bows to be drawn at all unless in a designated area or on the shooting line under direction of the range master.**
- 8. No arrows should be nocked or on the bow unless on the shooting line and the “range open!” command is given.**
- 9. Nobody shall retrieve arrows until the “range closed!” command from the Range Master.**
- 10. To prevent injury at the target only one archer should retrieve arrows while the rest of the target group support the target of to the sides.**
- 11. No running with arrows.**
- 12. Bow poundage is limited to 70lbs and no crossbows are allowed.**
- 13. Broad heads are not allowed on the range.**
- 14. No members or non -members will be allowed on the range outside of usual shooting hours without the presence of a club executive.**
- 15. No alcohol is allowed on the premises or to be consumed prior to or during an archery shoot.**
- 16. Please keep our archers in consideration and try to keep noise to a minimum.**
